## Notice of tariff filings

Pursuant to the Kentucky Public Service Commission's ("Commission") regulation 807 KAR 5:011, Section 8, Clark Energy Cooperative gives notice that a tariff requesting approval to implement an Appliance Recycling Program and a tariff requesting approval to implement an Energy Star Appliances Program will be submitted to the Commission on December 1, 2014. If Clark Energy Cooperative's requests are approved, the tariffs will be effective January 2, 2015, at which time qualified residential end-use members of Clark Energy Cooperative will be able to receive a \$50 incentive to recycle old, energy-inefficient refrigerators, and freezers, subject to detailed eligibility requirements and/or receive rebates on the purchase of Energy Star appliances ranging between \$50 and \$300 pursuant to program guidelines. A person may examine these tariff filings at Clark Energy Cooperative's offices located at 2640 Iron Works Road, Winchester, Kentucky 40391. A person may also examine these tariff filings at the Commission's office located at 211 Sower Boulevard, Frankfort, Kentucky, Monday through Friday, 8:00 a.m. to 4:30 p.m., or through the commission's Web site at <http://psc.ky.gov>. Comments regarding these tariff filings may be submitted to the Commission through its Web site at <http://psc.ky.gov>, or by mail to Public Service Commission, Post Office Box 615, Frankfort, Kentucky 40602. The incentives contained in these tariff filings are the incentives proposed by Clark Energy Cooperative, but the Commission may order incentives that differ from the proposed incentives contained in these tariff filings. A person may submit a timely written request for intervention in these tariff filings to the Public Service Commission, Post Office Box 615, Frankfort, Kentucky 40602, establishing the grounds for the request and including the status and interest of the person requesting intervention. If the commission does not receive a written request for intervention within thirty (30) days of this notice, the Commission may take final action on the tariff filings.

## Tip of the Month

Be merry and bright, but don't let your holiday lights shine all night. Save money on your electric bill by installing a light timer for your decked-out home. It can help lower your electric bill and reduce energy consumption. Use a manual timer plugged into an electrical outlet to automatically turn lights on and off as scheduled.
